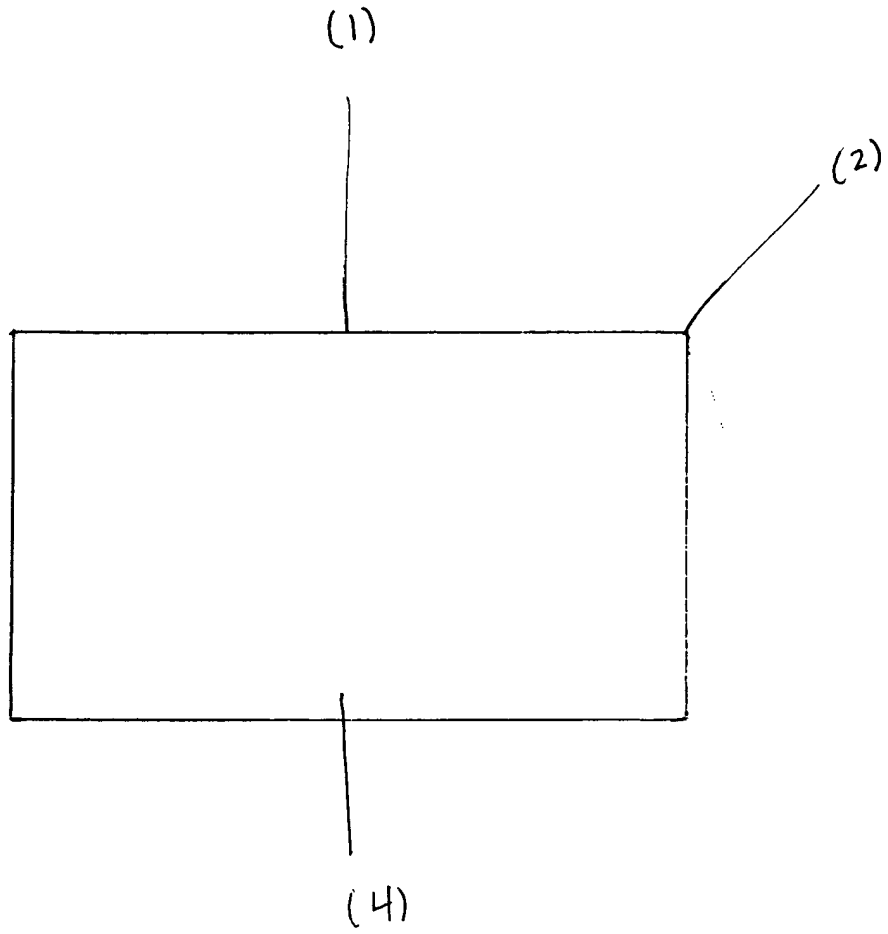

Figure 4

A schematic diagram of a rectangular structure, possibly a component of a device. The diagram includes several labeled parts:

- (1) points to the top surface of the main rectangular body.
- (2) points to the top-right edge of the main rectangular body.
- (3) points to a diagonal line on the left face of the main rectangular body.
- (4) points to the bottom edge of the main rectangular body.
- (5) points to a dashed rectangular area on the left face of the main rectangular body.
- (11) points to a small triangular feature on the left face of the main rectangular body.
- (10) is located at the top left of the diagram, above the main rectangular body.

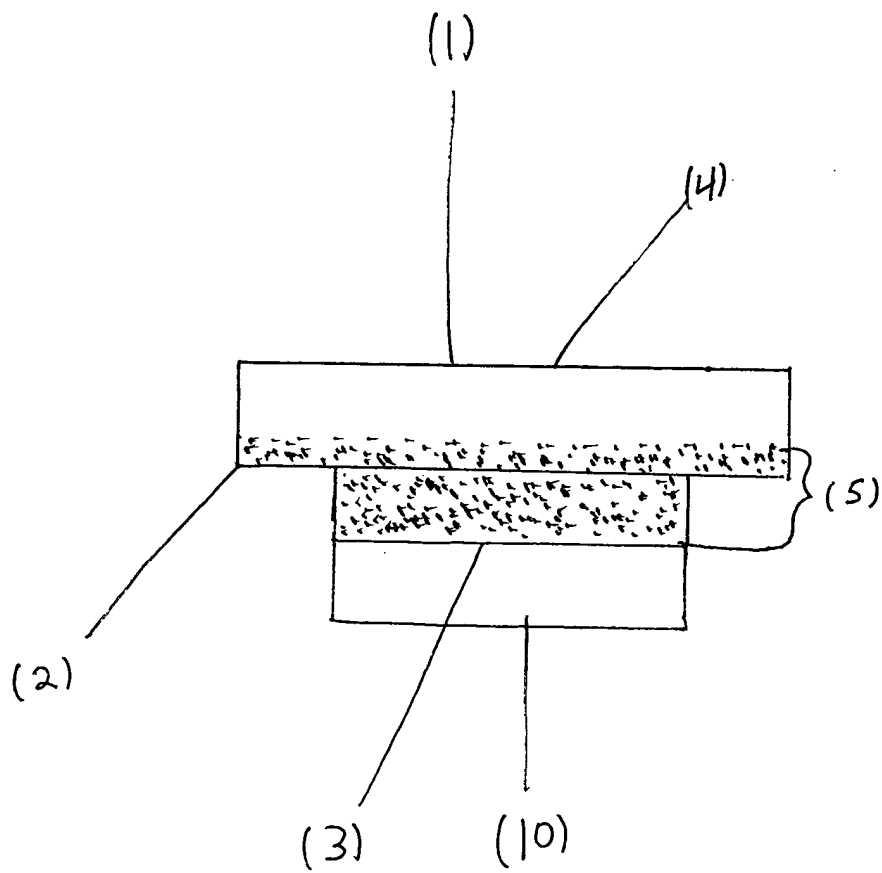

Figure 10

A hand-drawn diagram of a stylized face with various labeled parts. The face is oval-shaped with large, almond-shaped eyes, a small nose, and a wide, open mouth. The hair is long and flowing, with several strands extending downwards. Labels with leader lines point to specific features: (1) points to the forehead, (2) points to the hair, (3) points to the eye area, (4) points to the chin, and (24) points to the side of the face. There are also labels (23) and (25) pointing to the lower part of the face and the side of the hair respectively.
